

WE'RE SAILING AHEAD

Cedar Lake
Chamber of Commerce

July 2010
Volume 1, Issue 6

Our annual Kid's Free Fishing Derby was a hit. Young boys and girls from all over Lake County received free cane fishing poles and bait to try and catch a giant fish from Cedar Lake. The 125 kids and their parents, and in some case grandparents, came despite overcast skies. They spent 4 hours walking along our lakefront and pier, casting their poles into the lake hoping to get a nibble. A total of 134 fish including catfish, perch, hybrid bass, sunfish and of course our

favorite fish, the elusive carp!

We must give a special thanks to Chris and Cathy Bulak and staff from Corky's Dogg House for providing all the free hot dogs, condiments and chips. The Jostes' for the lemonade and cookies and the Knights of Columbus for the All-American favorite Tootsie Rolls. Also, we could not have had the event without the help of our fishermen Straley Thorpe Jr., Ralph Spanier, Hanover Township Trustee James Hunley, Robert Hardesty Bob Kralek,

and our own Director Ryan Ferry of All Services Electric, President Charlie Kaper Cedar Lake Florist, Vice-President Robert Carnahan, our friends from Citizens Financial Bank, three young men from the Cedar Lake Park Department, our reliable fish measurer, Peggy King, Pilcher Publishing and Louise Roys.

Many thanks to everyone for your help.

Northwest Indiana Symphony Pleased A Large Crowd

Once again the appearance of the Northwest Indiana Symphony Orchestra was a big success.

Conductor Kirk Muspratt was his most charming self and delighted the audience with his witty remarks between the great musical selections of the symphony.

While we had originally intended to

have the symphony appear on stage at the Town Complex, the weather reports had forecast a 40% chance of showers and symphony officials decided to move the symphony inside to Hanover Central High School. An estimated 1000 guests heard this wonderful group perform. Unfortunately, Mother Nature must have changed her mind and the weather never showed any signs of rain once the decision was made to move indoors. We want to extend a

big thank you to the Hanover Community School Board and the staff at Hanover Central H. S. who did their very best to provide everything we needed for the symphony. Thanks especially to Rhonda and Sam.

Thank you also to Jean Eberle and Dairy Queen East for the Ice Cream sales, Corky's Hot Dogg's for the delicious food and Shelly Faber, Century 21 South County for the beverages and the Park Department for popcorn.

A special thank you to the Cedar Lake Town Council, the Lighthouse Restaurant, London Witte, Cedar Lake Florist, Center Chrysler Dodge and Jeep, Senator Sue Landske, M-Y Home Care, and the Jostes Family for their financial support.
